

Nicol FERRIER

Nicol Ferrier is professor of psychiatry at Newcastle University and honorary consultant psychiatrist for Northumberland Tyne and Wear NHS Trust. Professor Ferrier's clinical work is in the regional Affective Disorders Service. His research interests are in psychopharmacology and the neurobiology and treatment of severe affective disorder. He was the pharmacological lead on the National Institute for Health and Clinical Excellence (NICE) guideline for unipolar depression, and chaired the group responsible for developing the NICE bipolar disorder guideline. He is president of the British Association for Psychopharmacology and has served on the MRC Clinical Fellowship and Wellcome Trust Neuroscience and Mental Health Grant Committees.
